

**Report of Fulfillment of CAB
First-Year Research Requirement**

Student: _____ Advisor: _____
(print or type) (print or type)

CAB Policy:

Every student must report on a research project no later than the Fall Semester of their second year. The report will be in written form and will also be presented orally within the context of a journal club, research group, etc. A committee of three faculty members will grade the report. The committee must include 1) the student's advisor, and 2) a member of the core CAB faculty other than the advisor. There will be three possible outcomes: 1) Pass: continue in Ph.D. program; 2) Pass at MA level: Terminate Ph.D. program and submit as Master's Project (which, combined with meeting the part (a) distribution requirements, will fulfill the requirements for an MA in the CAB program); or 3) Fail: termination of studies in the CAB program.
