

#1: Breasts: A Documentary

>From Video Library...

"What is it about breasts? Men's fascination with them! Women's obsession about them! This documentary attempts to answer that question by

interviewing twenty-two women of various ages, races, sizes and backgrounds—most of whom show their breasts to the camera --and the results are fascinating and enlightening."

Date: Thursday, January 20th 2005

Venue:Coffman Union 2nd Floor Room Time: 7pm
