

RESEARCH SUBJECTS WANTED

Jiang Lab at the University of Minnesota, Twin Cities, seeks participants for a study on **visual perception**.

- **Lab:** Dr. Y.V. Jiang's Cognition lab
- **Time:** We have open slots from Monday-Friday, 9am-5pm, starting on the hour.
- **Compensation:** You will receive \$10/hour. Each study lasts about 1 hour. You may be eligible for signing up for multiple experiments.
- **Location:** Elliott Hall Rm S504, 75 East River Road, Minneapolis, MN 55455
- **Description:** During the experiment you will view simple objects, faces, or scenes on a computer screen. You will be asked to recognize the items and categorize them (e.g., whether a face belongs to a male or a female). We record your accuracy and response time over many hundreds of trials.
- **Requirements:** We can only test you if:
 - 1) You have normal or corrected-to-normal visual acuity
 - 2) You are 18-45 years old
 - 3) You have no history of psychiatric or neurological disorders
 - 4) You have not previously participated in this experiment
- **Reply:** Please reply only if you are SURE you can make the time you are requesting. **Please reply by email to jianglab@gmail.com.**
